The wireframe shows a desktop layout with a grey header bar. On the left, there is a logo placeholder labeled 'LOGO' with a small orange circle containing the number '1' next to it. To the right of the logo are several lines of wavy text representing content. On the far right of the header, there is another orange circle with the number '2' next to it. Below the header is a white section with the word 'Affiliations' centered, flanked by left and right arrows. The main content area is divided into two columns. The left column has a dark grey background and contains a placeholder image of a landscape with mountains and a sun. The right column has a grey background and contains the text 'U.S. Law Firm Group®' followed by several lines of wavy text. Below this, the layout is split into two rows. The first row has a light grey background on the left with the text 'World Law Group' and several lines of wavy text, and a dark grey background on the right with a placeholder image of a landscape. The second row has a dark grey background on the left with a placeholder image of a landscape, and a light grey background on the right.
